

Authorized service SAAB and OPEL, Auto Apko s.r.o.

Welcome in our authorized service SAAB and OPEL - Auto Apko s.r.o. in Liberec

First of all we provide extensive services of the cars **SAAB** and **OPEL**. If it is an oil-change or engine reconditioning, you always can rely on our long-term experience and technical know-how.

There are new, stock as well as used cars on our pages.

What is new on our web-pages?

Newly, you can find on our SAAB web-pages also a **SAAB**-shop, where you can find all the spare parts for your car **SAAB 9-5,**

SAAB

9-3 and further types.

Among other things we also offer the accessories for the cars **SAAB** from the court tuning partner of the company

AAB –

Swiss company

Hirsch Performance

S

The Hirsch performance offers the accessories as well as the chip-tuning.

Why right the chip-tuning from the Hirsch Performance?

- 1) It is a high-quality and approved **chip-tuning**
- 2) Because of the fact, that the **Hirsch Performance** is the court tuning company of the cars **SAAB,**

you are not going to lose the guarantee for your car

3) You can get the performance of the car up to approximately 20% higher, then in the case of the engine directly from the producer
